

REGENERATIVE AGRICULTURE TRAINING PROGRAM 2022

You are invited to participate in this fantastic 7-week Regenerative Agriculture training program for farmers. The program will be delivered by respected leaders in regenerative agriculture, providing you with unique insights and tailored advice for implementing these practices on your farm!

PROGRAM

Week 1 | Fri 19th Aug - Introduction to Regenerative Ag - myths and misconceptions

Week 2 | Fri 26th Aug - Soils: Living roots, organic matter, soil biology and nutrient cycling

Week 3 | Fri 2nd Sep - Soils: Minimising disturbance, maximise coverage, soil monitoring

Week 4 | Fri 9th Sep - Livestock & grazing systems

Week 5 | Fri 16th Sep - Integration of trees

Week 6 | Fri 23rd Sep - Financial indicators and transitioning to Regenerative Ag

Week 7 | Fri 30th Sep - Developing your regenerative farm action plan

YOUR INVESTMENT

Attend 7 consecutive workshops/farm walks

Your Contribution | \$250 +GST

Course costs subsidised by Cardinia Shire Council

Most sessions will run from 10am-2pm and include a farm walk on a local farm.

There may be an occasional Zoom session if required.

The workshops will primarily be located in the Cardinia/Baw Baw Shire areas.

Farms must be located within the watershed of Westernport or Port Phillip Bays.

Only 25 places available
- be quick
Apply via EOI

2. Mobile
3. Email
4. Farm Address
5. Area of farm (Ha)
6. Enterprise Type/s
7. Do you have suitable internet connection to participate by Zoom if required? Tick if yes
8. Can you commit to attend each of the 7 workshops in their entirety? Tick if yes
9. Please list the reasons you want to participate and what you hope to get out of the program

Signed

Date

Please email completed EOI's by Fri 15th July 2022 to Peter Ronalds peter@wpcin.org.au

Extra information:

- EOI's will be assessed and participants selected by the project team whose decision will be final.
- Submission of an EOI does not guarantee participation.
- Limited to 25 farms located within the watershed of Port Phillip or Westernport Bays
- The program will be relevant to all farm enterprises types
- We are planning 'in person' workshops/farm walks, however if a presenter cannot travel, then we may use 'Zoom'
